

Best greeting

My name is Isaac baqe Botros Jacob and I graduated in computer sciences in 2020, I am writing to apply for a Junior, Dot Net Developer

I feel I would be an asset to your organization because I have experience working as .NET Full stack, in addition I have finished a .NET intensive program on ITI, in it, I have studied ASP.NET, SQL, angular, .NET API, and front-end technologies (HTML, CSS, JS, and Bootstrap). And I have developed many applications for diploma like Online Store, so I am very excited to work in software industry.

In conclusion, I hope to get the opportunity to Junior, Dot NET Developer , thank you for taking the time to review my application .please contact me at this mail (isaacbaqe.botros@gmail.com) if you have any questions for me I look forward to hearing from you soon.

Yours sincerely
