

Best greeting

My name is Isaac baqe Botros Jacob and I graduated in computer sciences in 2020, I am writing to apply for a volunteer in Jonkoping, Sweden.

I would love to volunteer because I like to participate in various activities such as theater and games to entertain the free time of young people and children so thy can benefit from their vacation.

I feel I would be an asset to your organization because I am a director, writer, and actor in short comedy sketches so can write daily sketches for entertainment feer time for children

I can prepare some games and activities for children too.

In conclusion, I hope to get the opportunity to volunteer with you in Jonkoping, Sweden, thank you for taking the time to review my application .please contact me at this mail (isaacbaqe.botros@gmail.com) if you have any questions for me I look forward to hearing from you soon.

Yours sincerely

Isaac baqe botros gaqub
